

Pictures of Albatross (ALB)

- *Each room comes with 2 desks, 2 beds, 2 chairs and 2 dressers.*

- *Each room also comes with 1 wardrobe closet and 1 closet within the space.*

- *Flooring is different in each room.*

- *Each room also has a stove top, fridge, freezer/fridge combination, and sink.*

- *Each room has a bathroom with a toilet, shower, medicine cabinet, and sinks (please refer to video for size of bathroom)*

- *There are two washer and two dryers on the 1st and 2nd floors of Albatross.*

Pictures of Polaris Hall (POL)

Polaris has the same room set up as Albatross with the same furniture for the odd numbered rooms so please refer to pictures of Albatross if you have an odd room number. If you have an even room number (anything ending in 0, 2, 4, 6, or 8), these pictures below will apply to you. While you have the same bed, bathroom, dresser, and desk furniture as well as the stove top and fridge/freezer, you will have additional furniture:

- *These spaces come with a small table and 2 additional chairs*

- *Closet Spaces:*

- *There is one laundry room on the 2nd floor of Polaris.*

Each room does have a window and blinds. It was measured about 4 feet across. Flooring for each room will be dependent upon the room itself.
