

Terri '90 and George '90 O'Kelley TAMUG Education Abroad Scholarship

Established in 2022 by Terri and George O'Kelley

Terri '90 and George O'Kelley '90 first met as freshmen at Texas A&M, but they didn't date until a chance encounter at the Dixie Chicken led them to reconnect 32 years ago.

In addition to Terri's degree in economics from Texas A&M, she also holds a Master of Science and Management from Colorado Tech. George similarly holds both a degree in building construction from Texas A&M and an MBA in Finance from the University of Dallas.

Terri spent 15 years in health care administration in North Texas, and she is the owner and operator of her own jewelry design and sales business. George spent 10 years in the U.S. Army and later worked in manufacturing for 27 years at Texas Instruments, Nokia and Flex.

He is currently a lecturer at Texas A&M's Mays Business School. The family lived in Hong Kong for eight years with their children, Garret '16 and Keegan '20, both of whom graduated from Texas A&M University at Galveston. Terri and George feel that their children's college experiences were transformative for them, and they want to pass it forward with the Terri '90 and George '90 O'Kelley TAMUG Education Abroad Scholarship. Their scholarship will support Aggies by the Sea who pursue study abroad or internship experiences overseas.
