How to complete TrainTraq training

What is TrainTraq?

TrainTraq is a learning management system available to all TAMUG employees utilizing their Single Sign On (SSO) credentials. This system offers over 600 online and in-classroom courses system-wide and more training opportunities are being added every day!

How to access TrainTraq:

1. Using your preferred browser, copy and paste the following link:
   https://sso.tamus.edu/Logon.aspx?entityID=https%3A%2F%2Fsso.tamus.edu%2Fshibboleth&return=https%3A%2F%2Fsso.tamus.edu%2FShibboleth.sso%2FDS%3FSAMLDS%3D1%26target%3Dcookie%253A1601918055_605b

2. Once you reach the website, click on the TAMU NetID button under the Campus or Agency Logon window. Login into your account using your UIN and password.

3. After you have authorized yourself in the SSO system, you will click on the TrainTraq link in the SSO Menu. From here, you will have all your listed trainings to complete.

4. For more unlisted trainings, click on the Course Catalog tab on the top left to find more trainings!
